**Application for the job post of Engineer Messtechnik - LabVIEW (w/m)**  
**Your Advertisement PUB146738**

December 9, 2017

Dear Frau. Jessica Schmidbauer,

This is with great interest that I would like you to consider me for the position of Engineer Messtechnik - LabVIEW (w/m) [PUB146738] in your esteemed company. I believe that my skills and experience match perfectly for this position and I am certain that you will immediately relate the job requirements to my professional qualifications. Along with this letter, I attach the following application documents.

- Tabular Resume
- Certificates
- List of projects and former experiences portfolio.

As you can see from the attached resume, I am currently a student at Hochschule Ravensburg-Weingarten, pursuing my Master's degree in Electrical and Embedded Systems. At the moment, I am working on my Master's thesis at the Technical University of München.

My skills and knowledge, that may be an added advantage to the job applying for, are as follows:

- **Broader Experience in Hardware designing using Eagle.**
- **Extensive knowledge in Embedded programming using VHDL and SystemC.**
- **Highly proficient in Matlab, C/C++ and LabVIEW programming languages.**
- **Experience in Robotics and Aerospace Industry.**
- **Strong knowledge in Signal processing and Communication Systems.**
- **Ability to interact and effectively communicate with people, in English and German, from diverse backgrounds, highlighting teamwork and problem solving.**

I would really appreciate if we could meet up for a follow up job interview so I can demonstrate how perfectly I would fit to the designated role. You can call me at +49 176 24082328 or drop me an email at [jagadeesh.srmuniv@gmail.com](mailto:jagadeesh.srmuniv@gmail.com).

Thank you so much for your time and considering my letter for the job post.

Sincerely,

Jagadeesh Kumar. A
